(December 16, 2009 Stillwater, OK) – Several classes from Oklahoma State University's Center for Veterinary Health Sciences returned to Stillwater earlier this fall to celebrate special reunions. Festivities were held in conjunction with the center's Fall Veterinary Conference with alumni, faculty, staff, students and guests gathering at the Payne County Expo for the center's OSU Cowboy Roundup.

Six of the 14 living members from the Class of 1954 were in town to celebrate their 55 year reunion. The group took a tour of the veterinary center marveling at the many changes since they attended what was then Oklahoma A&M College School of Veterinary Medicine more than 55 years ago.

The Class of 1969 gathered to celebrate their 40th year reunion. Dr. Michael Lorenz ('69) is the first OSU graduate to serve at the center's dean.

While the Class of 1979 had at least 16 class members attend various 30th year reunion activities, only nine attended the Cowboy Roundup.

Nearly 31 percent (21 members) of the Class of 1989 returned to Stillwater to celebrate their 20th year reunion.

A total of 11 members from the Class of 1999 reunited to celebrate their 10th year reunion.
